The 5th World Congress of the
INTERNATIONAL SOCIETY
FOR FERTILITY PRESERVATION

November 16–18, 2017 | Vienna, Austria

Support and Exhibition
Invitation to the Industry
Dear Potential Sponsor Exhibitor,

We cordially invite you to attend The 5th World Congress of the International Society for Fertility Preservation (ISFP) that will take place in Vienna, Austria, November 16-18, 2017.

During the last decade, Fertility Preservation has gained an important role in medicine and clinical patient care and is now at the forefront of medical and basic research in reproduction.

Fertility Preservation engages multidisciplinary fields of reproductive medicine, oncology, hematology, embryology, andrology, ovarian testis and gametes research, toxicology, psychology and includes not only scientific researchers and physicians, but also social workers and nurses. All in a united effort to improve the quality of life of young cancer survivors, as well as the quality of life of other patients seeking to postpone reproduction due to medical or non-medical conditions. As such, the demand for Fertility Preservation has dramatically increased.

The aims of this congress are to present and discuss important topics in the field such as advances in ovarian cortex transplantation, assessment of ovarian reserve, endometriosis, in vitro follicle growth maturation and artificial ovaries, medical protecting from chemotherapy, oocyte and embryo vitrification, reimplantation of ovarian tissue and many more cutting edge topics.

There will be an opportunity for all to share protocols and clinical knowledge; to find areas for future multidisciplinary scientific research and clinical collaboration; to spread education and to facilitate Fertility Preservation awareness.

Like all such congresses, we need to cover out expenses, which, as you can imagine, are high for a meeting of this caliber. Therefore, we are asking for your company’s support as a sponsor and/or exhibitor.

You have the following support options:

**I SPONSORSHIPS:** We welcome sponsorship at the Presidential, Platinum, Gold and Silver levels.

**II EXHIBITION SPACE RENTAL:** While exhibition space may be requested as part of the four premium packages, limited exhibition space may be purchased as a stand-alone option. This space is located in a high-traffic area directly outside the main lecture hall, where poster boards are positioned and coffee breaks are served.

**III EVENT SPONSORSHIPS:** These sponsorships include naming rights for events, conference areas, special awards, etc.

If you are interested in exploring your participation as a sponsor and/or exhibitor further, please contact us as soon as possible by emailing the Congress Secretariat at isfp@cme-congresses.com.

We look forward to welcoming you in Vienna at our 5th Congress.
